Greetings to the attendees of the Professional Convention Management Association's annual education luncheon. On behalf of the City of Dunwoody, I extend the warmest welcome. Our community has much to offer, and we are so glad you are here.

We are particularly honored that your organization chose the Dunwoody Nature Center as the location for your event. It is among the flagships of our city, and an important component for education and conservation in our community. I hope you will have the opportunity to enjoy the beautiful 22 acres of natural forest and trails while you're here.

Your dive into AI and how it can enhance the meeting industry is certain to be enlightening. Best wishes for a truly wonderful event.

Sincerely,
